

to the outside door to make the Library more comfortable and more quiet. This improvement is greatly appreciated by readers as well as the Library staff.

In February, there was a request from Miss Ellen Straus, Supervisor History Records Survey, H.P.A. Scranton, to place a H.P.A. worker (a Mr. M. E. Hale of Archbald) in the Library for the purpose of making a copy of the imprints of catalogued material prior to 1877. In the absence of Mr. Heller this request was referred to Mr. Hamilton who took the matter up with available Directors. It was decided to allow this work to be done with the understanding that rules and regulations of the Library be strictly adhered to by the H.P.A. worker - As yet no one has appeared to do the work.

On June 5 Mr and Mrs Heller and the Librarian attended the District Library Meeting at Towanda which proved interesting, instructive and enjoyable.
